Foreword

Progress—our nation, our town, our school, even this annual, exemplify that word.

From a small, very thin book, your Echo has grown to a one-hundred page, expensively covered yearbook. That is progress!

Regardless of how large a book is, however, what makes it valuable is how much and how long it is treasured by its possessors.

We hope this yearbook will take its place as your memory book for the years to come.

With this hope in mind, we humbly add the Echo, 1951, to its long list of predecessors.

Our Town After the "Big Snow of 1950"

W. H. S.

Past, . . .

Present, . . .

Future . . .

The year 1911 marked the beginning of a long and proud history—the history of Wytheville High School. From that year when its doors were thrown open for the first time, W. H. S. has progressed to earn statewide recognition.

At present W. H. S. is nearing the end of one important phase of its history and is preparing for another, perhaps a prouder, one. It will change in 1951-52 to a new school and probably a new name, but the traditions and the spirit which have been carried down through the years since 1911 will continue always.

A dream is soon becoming a reality; ours is a school with a future!

MRS. GEORGE YOUNG

MRS. LESLIE PARSON

These two sponsors of the senior class truly deserve highest praise and gratitude for their tireless work in our interests.

Because of their wisdom, and great understanding of a pupil's individual needs and personal problems, we dedicate to them this, the 1951 Echo.

Seniors

We the Seniors

. . . . **are proud**

of our share in the
history of Wytheville High School.

. . . . **are reminiscent**

of the four short years
since we were freshmen—
the joys we found;
the friends we made.

. . . . **are hopeful**

of a future in which
the world will be
one of peace and
understanding.

The Season in Review

The Maroons got off to a slow start in 1950. School didn't open until October, because of the polio epidemic of the past summer. Three games were cancelled for the same reason. In fact we weren't even sure that we would have a team!

Finally the short practice session got underway. There were only about two weeks of practice before the first game.

The regular opening game with Narrows had been postponed until the end of the season, and our first game was with the Emory and Henry Freshmen. Most of the Maroons were starting a game for the first time and were inexperienced. The game's end found the E. & H. team on top with a score of 18-0.

Two weeks later the Maroons traveled to Grundy for the second game of the year. Again Wytheville came out on the bottom. Grundy ran up a 26-12 win over W. H. S.

The Maroons first district game and first win was with Fries. The Fries eleven was smothered by a blistering score of 41-0. Needless to say, everyone felt better after this!

Next on the list was Pearisburg. The Maroons defeated a tough Pearisburg team 13-7 after a hard fought game.

A week after the game at Pearisburg the Wytheville eleven met with the Galax Maroon Tide at Galax. The game, played in a sea of mud, ended with Galax on the short end of a 28-0 score.

The Maroons were improving with each game and were gaining much needed experience.

On the afternoon of November 10 the Maroons left Wytheville for Martinsville. There they met the undefeated Martinsville Bulldogs. This was the hardest and best-played game of the year for the Maroons. When the final whistle blew, the score stood: Wytheville, 13; Martinsville, 0.

Pulaski was the next, and the Maroons ground out an 18-0 win to defeat their arch foe and to keep the trophy.

Wytheville's district record at this time was five wins and no losses. This put the Maroons in number one position for the district championship.

There was one game left, however, and it proved to be the heartbreaker. On a Wednesday night the Narrows Green Wave tied the Maroons 14-14! This left Wytheville in a championship tie with William Byrd.

The flip of a coin gave to Byrd the honor of playing Covington for the regional title.

In spite of a tough start, three cancelled games, (Radford, Fleming, and Byrd) and a "green" squad, the Maroons ended the 1950 football season with the fine record of five wins; two losses; one tie and the Co-Championship of District 6.

W. H. S. is justly proud of both the players and the coaches who gave us such a good season despite the odds they faced! No one could ask for more, and we all say heartily, "Nice goin' fellas!"

Beta Club

Officers: President, Barclay Allison, Jr.; Vice-President, Sadie Edmonds; Secretary, Shirley Levine; Treasurer, Sammy Veneziano; Reporter, Peggy Atkins; Sponsor, Mrs. Charlotte Greever.

The Beta Club, which is an honorary society, has a three-fold purpose: to promote achievement, character and leadership.

The Wytheville Chapter of the National Beta Club has included in its year's activities a Boys' Beauty Contest, a Heart Dance, monthly educational meetings, a delegation to the state convention, the sponsorship of a candidate for State Secretary and ushers for all school programs.

The members of the club live with the Beta motto in mind—"Ducamus Aliis Serviendo—Let us lead by serving others."
